## Raising Citizens: Labor Day

## My Community at Work

September 6, 2010

Raising Citizens is a year-round program celebrating American holidays to inspire civic responsibility. Family arts programs developed by CMOM and on-line resources from Freedom's Feast ([www.freedomfeast.us](http://www.freedomfeast.us)) help you to get the most out of your family celebrations. *The Raising Citizens series is made possible with generous support from The Joseph and Harvey Meyerhoff Family Charitable Funds and the Laurie M. Tisch Illumination Fund. Special thanks to Freedom's Feast Project Director, Lee M. Hendler.*

Draw a picture of the person working in your neighborhood.

## My Neighborhood at Work:

Have you ever thought about the people who work in your neighborhood, and how each helps to make your community strong?

Write a thank you card to someone who works in your neighborhood for the job they do. Use the back of the postcard to draw a picture of the person at work. Have an adult help you to deliver your thank you card.
